<p>I understand that the cost-share program will pay no more than 50% of the actual cost of the noxious weed treatment. I understand that Double EI CD/NRCS personnel will perform periodic inspection of the property described. I also understand that Double EI CD will only cost-share on the manufacturer's suggested application rates. The project must be approved by the NRCS and the Conservation District. All project costs will be paid for by the applicant and reimbursed upon approval by the NRCS and Conservation District. I also understand that I am responsible for making arrangements to have the project completed by the specified deadline. Practices that have been installed prior to NRCS and CD approval are not eligible for assistance.</p>
