

Double El Conservation District

Annual Scholarship

The Double El Conservation District is pleased to announce the Annual Double El Conservation District Scholarship. The award of up to \$1500.00 will be payable over two years. It will provide financial assistance to a high school senior planning to attend a four-year college or university, junior college, or trade school. An award of \$500 will be given the first year. Recipients may be eligible for a \$1000 award the second year, providing a GPA of 3.0 or higher is maintained throughout his or her first year of college. An official college transcript will be required for GPA verification prior to payment of the second-year award.

To be eligible for the scholarship applicants must reside within the boundaries of the Double El Conservation District or attend one of the following schools: Calhan, Simla, or Miami-Yoder. An application must be filled out and returned to the Double El Conservation District no later than April 1, 2020.

The application should highlight the applicant's leadership roles, school and community involvement, character, academic success, and financial need. In addition to being evaluated in the afore-mentioned categories, applicants who have participated in conservation efforts or who have parents that are cooperators of the Double El Conservation District will receive additional points.

A committee appointed by the Board of Directors of the Double El Conservation District will select the scholarship recipient and the winner will be notified in May of 2020. The recipient must notify the Double El Conservation District office of acceptance or refusal of the scholarship, in writing, by June 15, 2020. Upon accepting the scholarship, the recipient must also complete additional information for the scholarship to be awarded. This information must accompany your written acceptance of the scholarship. The scholarship will be paid directly to the institution that the recipient is attending.

APPLICATION REQUIREMENTS:

Please complete the attached application thoroughly including all requested components. Applications that do not contain all the requested materials or that are not complete will not be considered for the scholarship.

The completed application form including: essays, letters of recommendation, and an official high school transcript, must be postmarked or delivered to the Double El Conservation District office no later than April 1, 2020.
